SIRIUS SEMINAR

DATE: JULY 11-12, 2009!
Saturday and Sunday

TIME: 9:30 AM TO 5:30 PM
FEE: \$35/PERSON

SPEAKER: DAVID COCHRANE

Location:

6212 NW 43rd Street
Gainesville, FL 32653

Hello Everyone,

Sirius Seminars will be offered twice a year starting this July! Some of you may remember the exciting Kepler Seminars that we conducted until a few years ago. Now we are starting up the seminars again, and with the powerful and exciting features that are in Sirius, these seminars will enable you to interpret charts faster and easier than ever before as you work with the incredible features of Sirius.

Who Can Attend: Everyone is welcome!

You do not need to own Sirius to attend a Sirius Seminar. After attending the seminar, chances are you will be purchasing the software because the exciting features of Sirius are just irresistible!

SEMINAR SCHEDULE

Saturday: July 11, 2009, 9:30 am to 12 noon,
1:00 pm to 5:30 pm

We will explore fabulous features throughout the entire Sirius program. We will show you how to use the program and give particular attention to wonderful features that are easily overlooked.

Sunday: July 12, 2009, 9:30 am to 12 noon,
1:00 pm to 5:30 pm

We will focus on particular areas that you would like to explore in more detail. Sirius has an enormous number of elegant and powerful features for almost any area of as-

trology, whether your interest is consulting with basic modern methods, classical, Vedic, or the most modern cutting edge techniques, etc.

Early Birds with Fei Cochrane (President of Cosmic Patterns):

Come to the seminar with your laptop on Saturday and Sunday at 8 AM to spend special time with Fei exploring your program before the actual seminar starts. Fei will also be available for one hour after the seminar to spend more time exploring features that are especially important to you.

About the Speaker: David Cochrane

As you may know, David's seminars are practical, well-organized, and exciting. At Sirius Seminars you will also meet other talented and knowledgeable people and we learn from each other.

Where and When are Sirius Seminars? Sirius Seminars will be held in the summer and in late December. The seminars will be given in various cities depending on where we are invited to give the seminars and travel costs for us are reasonable. The first seminar is here in Gainesville, Florida July 11-12, 2009. The next seminar will be December 19-20, 2009. The location for the December Sirius Seminar has not been selected yet.
